The Main Pitfalls in CV Writing:

PRO MIND
Management and Organisation Development

FORM	CONTENTS
× Making it too long for the recruiter to read the CV in a reasonable amount of time	× Lacking critical thinking in the choice of the data provided (non-relevant or significant elements)
× Folding the CV three times in an envelope	× Language errors
× Printing the CV on some kind of "exotic" or decorated paper	× Adopting a flattering tone towards the company
× Making the CV unattractive (because of readability, an excess of information…)	× Providing inaccurate data
× Adopting an insisting tone	× Lying about your experience of skills
× Misspellings	× Not writing the CV yourself
× Standardized CV
